#### SEEMED A JOKE TO SIAMESE

Natives Could Not Understand Why American Wanderers Wanted Sugar with Rice.

Harry A. Frank, in Harper's Weekly, gives an amusing account of his tramp through the Siamese old settlers on August 12, 13 and jungles. The English authorities 14. Crowds in proportion to the refused to let him leave Rangoon and deputed a half-easte to accompany him and see that he remained within the town limits. But Frank and his companion made the halfcaste drunk, eluded him and spring water, free wood and tents. plunged into the jungle. At one Come and camp with us all three village they excited the wonder of the natives by demanding sugar pard, Privilege Man, Stella, Mo. upon their rice. The head man misunderstood.

When he understood that sugar was needed he called a woman, who brought some in a joint of bamboo. and Lester Davis went to Cassville "At the first mouthful," says the author, "such a roar of laughter Harrisons Ice Cream at Logan went up from the assembly that I choked in my astonishment. The chieftain fell to shaking as with a fit, his advisers doubled up with mirth and aroused the whole community with their shricks. Wild Pianos and organs tuned and re- eved Siamese tumbled out of the neighboring huts. Within two minutes half the village had flocked into the room and the other half was ache. howling for admittance and a glimpse of those strange beings who Mrs. H A. Ash and children ate their rice with sugar.
